Let's show WTA member Brian Bonlender, that we are grateful to him and his board of directors for allowing us to play this impressive course.

In the mid-1920's, many of West Bend's business leaders were driving down to the north parts of Milwaukee for their golfing pleasure. The West Bend Country Club was born out of the desire of these individuals to have a premier golf course right in their backyard. On August 30, 1928, the Articles of Incorporation of the West Bend Country Club were filed. Initially, 200 shares at a value of \$300 each were issued, with the purpose to secure land and build a premier golf course in West Bend.
